University College Dublin English Language Academy (UCD ELA) is an English language summer school based on Ireland's largest university campus.

We offer General English, Business English and IELTS preparation courses for adult students during the summer months.

UCD ELA is located on a beautiful university campus creating a community atmosphere with space for students to learn, think, live and explore while also being only a 15 minute bus journey from Dublin city centre.

WHY UCD ELA?

Unique English language learning experience

Highly qualified and fully accredited teachers creating a fun and friendly atmosphere for you to improve your English.

Superb on-campus residential accommodation

Modern and high quality accommodation with single rooms in shared apartments.

An international student learning environment

One of Europe's largest urban campuses with a community atmosphere and 24-hour security in operation.

Technology-enhanced student experience

Student portal, online course materials, leading edge technology in the classroom and free wifi throughout campus.

World class facilities and services

A huge range of facilities including a global lounge and excellent sports facilities.

Ireland's global university

UCD is currently ranked within the top 1% of higher education institutions worldwide.

CAMPUS EXPERIENCE

UCD has one of the largest urban campuses in Europe.

Students have access to a cinema, a bookshop, a barber shop, a post office, a bank, a bar, a grocery store, a library, a large student centre and outstanding sports facilities.

The sport facilities include a 50 metre swimming pool, gym, dance and spinning studios, sauna and jacuzzi, sports halls, squash courts, soccer pitches and a climbing wall.

UCD was the first university in Europe to open a Global Lounge – a hub for international students to socialise and meet students from Ireland and around the world.

The campus has a wide range of options for students on campus when it comes to eating out. There are a number of restaurants, cafés and shops available to students.

INTENSIVE OPTIONS

For students who wish to add 6 afternoon lessons to their course, there are two options available; task-based learning and IELTS preparation. Students from both General English and Business English will study together in the afternoon.

TASK BASED LEARNING (6 LESSONS)

Take advantage of this opportunity to put your English to work in a real-life setting with task based learning. Taking a unique and interesting topic each week, students work in groups to complete a task. With key language and vocabulary input from the teacher and feedback to support them at every stage, this course gives students the sense of achievement that comes from independent learning and real communication.

- > A range of interesting tasks covering business, technology and cultural topics
- > Key vocabulary and functional language in each task
- > Innovative use of multi-media and digital content to enhance learning
- > Individualised feedback on speaking presentations and written work
